

Seven Minutes

Lights up already in the closet

Soooooooo....

Shyne

Yeah, this is just...a little bit awkward

Indigo

It could be worse. You could be stuck in here with Derrick

Shyne

Can't stand that guy

Indigo

Yeah fuck Derrick

Shyne

Wait, why do you hate Derrick?

Indigo

I just do...something about that spirit I just don't like

Shyne

Well he smells pretty bad

Indigo

I didn't wanna say it but that boy smell like a bag of gym socks

Shyne

Beat

You don't think they really expect for us to kiss right?

Indigo

No, it's fine! We don't have to do anything.

Shyne

I didn't say I didn't want to, I just asked if that's really what they expect.

Indigo

So does that mean you want to?

Shyne

Seven Minutes

I also didn't say that.

Indigo

Oh I wasn't trying to insinuate anything I was just making sure

Shyne

I don't think you insinuated anything

Indigo

Just as long as I don't give you the wrong impression

Shyne

You haven't

Indigo

Okay I just wanted to be sure

Shyne

No it's alright, you're fine

Indigo

Okay

Beat

wait...fine how?

Shyne

What do you mean?

Indigo

Well it's just that you said I was fine

Shyne

I did say that yeah

Indigo

And I was just making sure that-

Shyne

You know you love making sure

Indigo

What's wrong with being sure?

Shyne

Seven Minutes

I didn't say anything was wrong with it, I just said you love to be it

Be what? Indigo

Sure. Shyne

Well you just never know wha- Indigo

You know what, why don't we just do it? Shyne

Do what? Indigo

Y'know...kiss Shyne

Gasps Shyne! Indigo

Isn't that what you do when you play this game? Shyne

Usually. but this is unusual Indigo

What about this is unusual? Shyne

Well I'm at my first highschool party cause my mom has been begging me to get out of the house playing 7 minutes in heaven with the girl I go to church with. Indigo

Indigo I haven't been to church in 3 years. Shyne

What, you think I haven't noticed? Indigo

Not particularly no. Shyne

Seven Minutes

Well...I have

Indigo

Why are you making this so weird?

Shyne

Is this not weird?

Indigo

No. We're just two long lost buddies who happen to also be in the same closet playing a game where we're supposed to kiss for a few...minutes

Shyne

I want you to repeat that sentence aloud again.

Indigo

For what?

Shyne

So that you can refer to it when they one day escort you to the looney bin

Indigo

This is not crazy!

Shyne

It is crazy Shyne!

Indigo

I mean if you don't wanna do it I don't wanna pressure you or anything-

Shyne

I never said that

Indigo

Said what?

Shyne

That I didn't want to kiss you.

Indigo

So, do you?

Shyne

Seven Minutes

Indigo

I never said that either.

Shyne

So say something girl! I feel like I'm talking to a golf ball.

Indigo

Look Shyne, I am an advocate and ally to all members of the LGBTQ+ community.

Shyne

Well I never said you were more than that

Indigo

I mean, there's nothing wrong with being that

Shyne

Obviously there isn't. There's nothing wrong with...exploration. I like to explore.

Indigo

Explore?

Shyne

Yeah what's wrong with that?

Indigo

I just am not interested interested in that at all

Shyne

What are you interested in

Indigo

I dunno important things like my education

Shyne

Congrats Mother Teresa.

Indigo

Well if caring about my education and state of our society makes me Mother Teresa, then call me a saint!

Shyne

State of our society? What are you on about Indigo?

Indigo

Seven Minutes

I don't know, I'm nervous.

Shyne

What for?

Indigo

I don't know. It's just been a while since I've seen you.

Shyne

Why would that make you nervous?

Indigo

I don't know...it just does

Shyne

Well it makes me a little nervous too...which is weird because I rarely ever feel that Way

Indigo

Well good, you should feel nervous.

Shyne

Damn, What did I do?

Indigo

I don't know you just...Why don't you come to church anymore?

Shyne

I just don't want to. Is there something wrong with that?

Indigo

Well it was like one Sunday you were there and the next you weren't

Shyne

I don't mean to question your intelligence Shyne but that's kinda how it works

Indigo

Whatever...I just never get to see you anymore

Shyne

I didn't even realize you noticed me

Indigo

Seven Minutes

How could I not? You always showed up wearing your Sunday best which was usually a dress that I personally wouldn't wear but always looked nice on you. Your mom was with you and you guys would sit in the second row.

Shyne

Yeah and you would sit with your parents in the row next to ours actually reading the bible. I always thought that was funny

Indigo

What?

Shyne

Reading the bible...at church? Anyway I just thought it was adorable that you cared so much about it to read all those tiny little words on those tiny little pages.

Indigo

You should try and read it it's actually quite interesting!

Shyne

I'm not really interested...

Indigo

Well if you're gonna keep dating boys and stuff there is some words of wisdom in there about that

Shyne

Dating boys and stuff?!? What are you even talking about? How would you even know what boys I'm dating?

Indigo

Well just cause you stopped going to church doesn't mean we stopped going to the same high school

Shyne

Oh I'm well aware.

Indigo

Well aware, huh?

Shyne

What, are you gonna shame me for dating?

Indigo

I'm not gonna shame you I just...I didn't expect it from you

Seven Minutes

Shyne

Expect what? Dating?!? Why are you making it sound like it's some crazy thing

Indigo

You're too young!

Shyne

We're fifteen Indigo! This is the time of exploration and discovery!

Indigo

I like discovering the four walls of my bedroom and I'm tired of being shamed for it! I'm only at this party cause my mom said that she's seen ants socialize more than me and in an effort to change that, I ended up at this stupid party, in this stupid closet, and my stupid tummy hurts

Shyne

Would you rather be stuck here with a boy? Kissing one of them wouldn't be so bad.

Indigo

I'll only do that to procreate

Shyne

Do what? Kiss??? What is that a religious thing?

Indigo

No. I just don't see the point of doing all that if not for a purpose

Shyne

Kissing is doing "All that"?

Indigo

Yeah I just don't see another reason

Shyne

Well I think most people kiss for pleasure

Indigo

Not me. I kissed a boy once and I still don't see the purpose in it

Shyne

Right. Cause there is supposed to be a purpose

Indigo

Seven Minutes

Why do something if there is no purpose in it?

Shyne

I think you're supposed to do it cause you enjoy it.

Indigo

Well I'm sure *everyone* doesn't enjoy it.

Shyne

Maybe...

Beat

Have you ever kissed a girl?

Indigo

No, I haven't.

Shyne

Why not?

Indigo

Haven't gotten around to it...I am a proud ally though

Shyne

So you're not homophobic?

Indigo

Of course not! If God can love all, then so can I.

Shyne

Right, Right...So there is nothing wrong with a girl kissing another girl?

Indigo

Nah, I think God knows there's better things to worry about.

Shyne

Well, that's good...Would you kiss another girl then?

Indigo

I haven't really given it to much thought...as of late

Shyne

Why not?

Indigo

Seven Minutes

Cause I mean...who would I even kiss?

Shyne

Well...you could kiss me...

Indigo

AHA! So you DO want to kiss!!!

Shyne

You literally started panicking when it was insinuated the first time!

Indigo

So you DID insinuate!

Shyne

Don't act like you're innocent Ms. Ally!

Indigo

What's wrong with being an ally???

Shyne

An ally that doesn't wanna kiss a man until marriage is a gay ally!

Indigo

Gasp Excuse me?!?

Shyne

You heard me indigo! You're gayer than a bag of skittles.

Indigo

What are you even- I am not gay Shyne!

Shyne

How do you know Indigo?

Indigo

Because that wouldn't make sense.

Shyne

Why wouldn't it make sense?

Indigo

Because- I like when boys call me pretty

Seven Minutes

Shyne

You ever thought that you just liked being called pretty?

Indigo

I also like when boys care about my feelings

Shyne

You ever thought that you maybe just like empathy?

Indigo

I like when they say that they love me

Shyne

Did you ever think that maybe you love being loved? I mean come on Indigo, we should really consider all the options here.

Indigo

We? I thought you said you liked guys?

Shyne

Yeah I do like them...in passing.

Indigo

In passing?

Shyne

I don't know, I'm just considering all my options.

Indigo

Considering all your options...with me?

Shyne

Nothing like that! I just...want you to consider all your options.

Indigo

Sooo... not with me?

Shyne

Well...I didn't say that.

Indigo

Well say something golf ball

Shyne

Seven Minutes

I just don't want you to feel pressured.

Indigo

Yeah and I don't wanna feel pressured.

Shyne

Do you feel pressured?

Indigo

Nah, I feel something else. It's like a fuzzy feeling in my tummy.

Shyne

Me too. I've never had this feeling before...anyways, I'm sure that clock is winding down to 7 minutes soon

Indigo

Yeah it should be. You excited to get out of here?

Shyne

Yes and No

Indigo

Why is that?

Shyne

Yes because it's hot in this stuffy ass closet and it's felt like a lot longer then 7 minutes so i'm worried they forgot about us...and No because it was kinda interesting

Indigo

It was only kinda interesting because if it were a boy that that bottle landed on, I have a feeling that I wouldn't have enjoyed that.

Shyne

Does that mean you enjoyed this?

Indigo

I didn't say that...but I wouldn't *Not* say that.

Shyne

I'll take the dub

They Laugh, Beat

Seven Minutes

I just...I guess I just never considered it. Indigo

Me neither, not until recently... Shyne

Yeah but, considering it isn't so bad. Indigo

Not if you don't do it alone Shyne

Well, maybe you and I could get together and...consider sometime Indigo

Yeah, I like that. Well, just as long as you're Sure Shyne

I'm sure Shyne. I'm sure. Indigo

The sound of a door opening. Blackout
END OF PLAY
